

Grout, Plaster, Builders Dirt Remover

What will it clean

Cleaner Number 4 is ideal to clean your ceramic and porcelain tiles after they have been laid. Great for removing grout haze, plaster, cement and general builders dirt that has built up on your tiles.

Warning : Not intended for wood, vinyl or natural stone floors or any acid sensitive surfaces

Where to use

Perfect for use in a kitchen, hallway, bathroom or anywhere your tiles and grout requires a deep acid wash.

Benefits

Deep cleans both your tiles and grout

Removes grout haze left from installation

Extremely easy to use

Removes stubborn marks or plaster, cement and builders dirt

High concentrated

How to use

1. Dilute Cleaner Number 1 - 5 parts water to 1 parts cleaning solution (400ml water - 100ml cleaner).
 2. Apply cleaner to surface and leave to act for 5 minutes, keeping it wet to ensure the product does not dry up on the floor.
 3. Then scrub the floor using the Floor Master Machine with the tile and grout brush attached or green pad for best results. Alternatively scrub the floor with a stiff scrubbing brush or appropriate pad.
 4. Once desired result is achieved, remove all dirty water with a clean mop, sponge or cloth.
 5. Rinse well with fresh clean water to ensure floor is clean and neutralized.
- Repeat process if required.
